TAPAL ENTERPRISES

Jobs Available at
Tapal Enterprises (Pvt.) Limited (Karachi)

Service Associate / Technician

- Perform routine preventive service, troubleshoot and repair air compressors and other rotary equipment
- Installation and commissioning of compressor systems
- Practice proper safety procedures and correct use of personal protective equipment
- Participate in a fixed and/or rotating 24/7/365 on-call pool with other Technicians as scheduled by the Service Manager with travel to customer locations, including out-of-town and overnight travel & possible overnight travel depending on the assigned territory

Eligibility:

- Must have 1-2 years of technical experience in the mechanical, maintenance, and electrical field. Experience with the maintenance, overhaul, and repair of a wide variety of industrial equipment, including electrical, hydraulics and/or pneumatics is preferred.
- Associate Degree is required preferably in Electrical / Electronic field
- Experience with motors, drives, HMIs, VFDs and PLCs preferred
- Experience working with 3 phase circuits and control panels
- Able to use computers to complete work orders

Sales Engineer

- Actively hunt for new customers and turn leads into signed business while growing existing accounts within your assigned region
- Spend most of your time in the field — meeting customers, understanding their processes, and identifying upsell and cross-sell opportunities
- Track market trends and competitor activity to adjust your sales approach
- Plan and execute targeted sales activities, manage your pipeline, and deliver accurate forecasts and reports

Eligibility:

- Graduate, preferable in engineering discipline (Mechanical / Electrical / Electronics / Mechatronics)
- At least 2 years of experience in field B2B sales, ideally with technical or industrial products
- Strong interpersonal Skills
- Good command over MS Office tools
- Hold a valid driving license and are ready to spend most of your time traveling within your region

We offer market competitive stipend along with excellent opportunity for growth!
