Recruitment of Graduating (Batch: 2021)

Assalam-O-Alaikum

Dear Sir/ Madam,

We are pleased to inform you that NED University, one of the oldest institutions in Pakistan, has been producing competent graduates in various sectors for many years. We are committed to fostering strong industry-academia collaboration, as both play a crucial role in industrial growth. To support this, we actively engage with various industries to facilitate graduate placements, internships, industrial visits, and Final Year Design Projects across multiple disciplines. Additionally, we offer Cooperative Education Internship Program (COOP) and Faculty Industrial Placement Program (FIPP).

Our current batch (2021) is set to graduate in the third week of June 2025. We have consistently strived to equip our graduates with both theoretical knowledge and practical skills, ensuring continuous improvement in their professional readiness. As this is the ideal time for industries to onboard fresh talent, our office is facilitating industries in the recruitment process by providing necessary support for on campus recruitment drives, test and interviews, evaluations and any other relevant procedures.

The graduating batch from the following disciplines is available for assessments and interviews:
