INSTRUCTIONS

Please follow below mentioned instructions during this online proctored exam:

- Ensure your browser, webcam, and microphone are functional before starting.
- Please make sure that you have stable internet connection.
- You MUST use a webcam which is working.
- No Calculator, Cellphones, Smartwatches or any other secondary devices are allowed in the room you are taking the test.
- Your face should be clearly visible, and background noise should be minimal.
- Ensure that there is no one in the room with you.
- The testing room should be well-lit, and you should be clearly visible.
- Do not use dual screens/monitors.
- Repeated looking away, whispering, or covering the camera may be flagged as suspicious behaviour.
- Do not use any additional applications or tabs while taking the test.
- Keep a pen and paper handy for solving MCQs.
- You will be allotted 45 minutes to complete the test, so utilize your time carefully.

This assessment consists of following sections:

1. Problem Solving
2. Pattern Recognition
3. Critical and Logical Reasoning

Before You Start:

- Test your webcam and microphone.
- Read all instructions carefully before beginning.
- Ensure you have enough time and a distraction-free environment.
