35th Convocation

NED UNIVERSITY OF ENGINEERING & TECHNOLOGY

PRAYER

Praise and Glory belongs to Allah Almighty who has accepted the endeavors, hard work and dedication of the seekers of knowledge and crowned them with success and blessings be on his last Prophet Muhammad (S.A.W.) who has directed every Muslim to attain knowledge.

O Allah, you yourself has stated that “say, My Lord, improve me in knowledge” (Surah Taba, Verse 114). Complying with this very commandment, we ask you to augment our knowledge and make it beneficial for all of us in both the worlds. We seek your refuge from non-beneficial knowledge.

May Allah make the recipients of the degrees worthy of the honour conferred upon them. May Allah enable them to serve humanity at large and serve our beloved country through the knowledge gained by them. We also pray that they attain not only remarkable success in this world but also enjoy high position in the life hereafter as it is the main aim of education.

O Allah! let these young boys and girls realize the importance of education and know that the acquisition of knowledge is incumbent upon each male and female and that it is the source of success for worldly life and the life hereafter.

O Allah! Inculcate in their hearts the determination to value the knowledge they have gained through the guidance of their teachers and the sacrifices of their parents. They must keep in mind that the secret of success lies in high standard of ethics and good moral behavior and showing respect to parents, teachers and elders.

O Allah! endow these graduates with qualities of humility, simplicity, social service and patriotism, and above all, consciousness of the Almighty, as these are the ultimate objectives of knowledge, which places them on the highest level of the best of creatures. May they be wise enough to recognize their weaknesses and enable them to capitalize their strengths to overcome their weaknesses. May Allah make them courageous enough to acknowledge their mistakes and learn from them.

O Allah! we pray that the spark of faith and knowledge, kindled in their hearts, may enlighten further lights and be transmitted to succeeding generations as well and let not the knowledge gained by them be restricted to only their own benefits.

O Allah! Shower your blessings on them and give them success in whatever fields they go and fill their hearts with the feelings of piety and sincerity to Allah.

Our Lord, give us good in this world and good in the Hereafter, and save us from the punishment of Fire. (Baqarah Verse 201)

May Allah shower blessings on your best creature Muhammad and all of his family and his companions.

And the end of our call is “Praise be to Allah, the Lord of all the worlds.”

Ameen

NED UNIVERSITY: AN INTRODUCTION

HISTORICAL BACKGROUND OF THE UNIVERSITY

The NED University of Engineering & Technology, was established in March 1977 under an act of the Provincial Assembly of Sindh after upgrading of the former NED Government Engineering College, which was set up in 1921. The NED University is thus one of the oldest institution in Pakistan for teaching and producing Engineering graduates. Prior to this, the D.J.Sindh College, used to run classes to train subordinates for the Sindh P.W.D., the Municipalities and Local Boards.

On August 29, 1921 College Principal C.S Shahani made a concerted effort to get Engineering Degree classes started to meet demands of Civil Engineers on the project for completion of the Sukkur Barrage. Application to this effect was made to the University of Bombay through the Commissioner of Sindh, who was ex-officio president of Sindh Collegiate Association (a registered society of subscribers for providing higher education in Sindh). The Bombay University however rejected the application on the grounds of insufficient finance and insisted on entirely separate buildings, laboratories for the engineering college as a separate institution. After collection of donations from the Puribai and Becharbai Trust, Vishandas Fatehchand Brothers and one huge donation (for that time) of Rs.150,000 from Mr. Nadirshaw Edulji Dinshaw, the new college buildings and laboratories were constructed on separate land. The new college was originally the Prince of Wales Engineering College but later renamed in memory of Nadirshaw Edulji Dinshaw. The NED College was provisionally granted affiliation on 23-05-1923 by the University of Bombay for the first and second year courses in Civil Engineering and 78 students were provisionally admitted into first year classes in 1922. Permanent affiliation followed in February 1927.

The first-full time Principal of NED Engineering College was Mr. G.N.Gokhale who joined on 1st July 1923. Prior to this, Rai Sahib Bhupatrai had acted as Honorary Principal. The first professor (and Vice Principal) was Mr. S.B. Jannarkar who, along with Mr. Gokhale, did all the spadework in organizing and equipping the various departments and ordering the equipment for the Power House, Boiler Room, Hydraulics Laboratory, Engine Room and Machine Shops.

The original NED Engineering College was housed in four blocks of buildings and two sheds. The main block was named as Seth Fatehchand Dewandas Khilnani Hall. The block housing the Power House, Electrical and Hydraulics Laboratories, and Workshops was named after Bai Puribai and Bacharbai. Further additions were made to this block to provide accommodation for the Machine Shop on the ground floor and a (Mechanical) Drawing Hall on the first floor. The fourth block, completed in 1945, contained a Classroom and Clerk's Office on the ground floor and another (Civil) Drawing Hall on the first floor.

Two sheds were also built, one to house the Carpentry and Smithy Shops, and the other, alongside the Electrical Laboratory and Engine Room, to train technicians. The total cost of the buildings was just over Rs. 265,000 and the cost of equipment (including machinery, electrical instruments; models, steam, gas and oil engines; surveying and leveling instruments), books and furniture was just under Rs. 400,000.

The college remained affiliated to the University of Bombay from its inception in 1922 to 1947, after which it was taken over by the Government of Sindh; renamed as NED Government Engineering College and affiliated to the University of Sindh. After establishment of the University of Karachi in 1951, the affiliation of the College was transferred to this University. In 1964 a comprehensive plan was prepared to shift the college from its location in the congested downtown area (where no expansion was possible) to a new site adjoining the University of Karachi. The project was carried out with the assistance of the World Bank which provided Rs.118 millions in two phases and the College was shifted to its new 40 hectare Main Campus in 1975.

On the 1st of March, 1977 the NED Government Engineering College became the NED University of Engineering and Technology. From an enrolment of 50 students in 1923, the student population, at both undergraduate and graduate levels, has now gone up to nearly 13000. The faculty of Bio-Medical Engineering is located at NED LEJ Campus for which the land and building - estimated value Rs. 350 million - was donated by (Late) Latif Ebrahim Jamal, a well known philanthropist.

The first Vice Chancellor of the University was Mr. A. M. Akhoond who was succeeded in sequential order by Prof. Dr. A. T. Khan, Prof. Dr. Jameel Ahmed Khan, Prof. Dr. M. Munir Hasan, Prof. Dr. A. Q. Qazi, Engr. Abul Kalam, Prof. Dr. M. Afzal Haque, Dr. S. H. Lodi and Prof. Dr. Muhammad Tufail is the present Vice Chancellor.

Congratulations!

Since you have graduated we would like to welcome you to

NED Alumni Network (NEDAN)

The official alumni platform and network of the NEDians

Welcome to NEDAN

All passed-out graduates are now “Associate Members” of NEDAN. Your email ID, which is already registered with the University, will now also be your NEDAN username/ID. Your password will be sent to the same email ID soon.

Why be part of NEDAN?

- **Connect with the NED alumni, a century old community:** Many of our past graduates are part of organizations and associations across the globe. You may seek assistance for exchange of ideas, technical and professional enhancement of your skills, and access to state-of-the-art information.
- **Become a Lifetime Member of NEDAN:** Unlock exclusive benefits, including the opportunity for your real sons and daughters to seek undergraduate admission through the SF-8 category. Join today and secure valuable privileges for your family!

Ma'Jee Scholarship Endowment Fund

NED Engineering University marked its centennial anniversary in 2021, prompting a former student to pen a personal tribute to colleagues. The resulting book, along with additional donations, established the Maaji scholarship named after all mothers, approved by the University Syndicate and later transformed into an Endowment Fund.

This unique fund ensures donations remain untouched, deposited in a tax-exempt account in Pakistan and enjoys tax rebates in the US through NEDNA. Led by the Vice-Chancellor, faculty members, and alumni contribute to its management. The scholarship's inspiration stems from the selfless sacrifices of impoverished mothers, emphasizing the lasting impact of supporting education. The initiative encourages honoring maternal figures by contributing to the education of deserving Pakistani children, providing them a chance to thrive.
