McCall MacBain Scholarships in Canada are one of the competitive scholarship for students. The University is ready to welcome those individuals who dreamt of going abroad for studies, but their financial positions are hurdles in making their dreams true. This Canadian scholarship is more than just financial support. The university believes in strengthening the power of the community by engaging them in numerous development activities.

The **fully funded scholarship** to study in Canada demands you to be a scholar who has confronted various challenges in different employment sectors. You can join the platform and share your visionary ideas regarding the leadership abilities you want to opt for with the team. Under this scholarship, a student can avail of any of the two opportunities: either to pursue a fully funded master's degree or a second-entry professional undergraduate program.

The fully-funded scholarships in Canada for international students ask you to share openness and commitment to learning from each other while studying in the world's greatest multi-cultural and multi-lingual city. This life-changing experience will provide you with the tools to develop leadership skills and explore different approaches to leadership. These comprehensive leadership-driven scholarships will be a life-transforming experience for you guys.

These Canadian **scholarships for international students** are offered in an open and creative cultural environment where you can experience an exceptional quality of life and tremendous job opportunities. Montreal is considered one of the top-class student destinations across the globe. The city is filled with diversity, vibrancy, and multi-cultures. People living there speak over 100 languages. Moreover, it is also regarded as an international hub where direct flights to more than 130 countries are available.

- Tuition fees are covered.
- Living stipend of \$2,300 per month during the whole tenure.
- One-time relocation grant to Montreal.

- Canadian educational exposure.
 - Scholars who are not enrolled in an academic term during the summer can apply for up to \$5,000 to support significant summer initiatives.
