

# HIGHER EDUCATION COMMISSION (HEC)

Government of Pakistan, Islamabad

## Study in Algeria

This Program is open to Pakistani students wishing to pursue their studies at the Algerian higher education institutions. The Embassy of Algeria has informed that the Ministry of Higher Education and Scientific Research of the People's Democratic Republic of Algeria has launched a national initiative titled "**Study in Algeria**". The initiative aims to enhance the internationalization of Algerian higher education institutions.

Prospective applicants from Pakistan are invited to explore and apply for a wide range of academic opportunities through the official program portal:
